

***STEP 4: Web Pages**

Your website must include the following pages. Each page must have at least one image.

1. **HOME**: On this page, you must provide an introduction to your topic. You should identify the time period during which your selected civilization existed and should explain why 21st century historians still study this civilization.

2. **DAILY LIFE & SOCIAL STRUCTURE**: What was daily life like in this society for different groups of people? Who were the leaders? What did the social structure/class system look like in this civilization?

3. **CULTURE**: What cultural and/or religious beliefs did people in this civilization hold? How did these beliefs influence the way people lived?

4. **CONTRIBUTIONS & LEGACY**: How did this civilization influence the development of future societies? You must identify at least five major contributions.

5. **USEFUL RESOURCES**: Your website was really interesting, and I want to learn more! Identify at least eight additional resources that I can visit to learn more about this topic. For each resource, list the web address/book title/article title, identify whether it is a primary or a secondary source, and provide a 1-2 sentence explanation of the resource and why you recommend it.

6. **BIBLIOGRAPHY**: What sources did you use to develop your website? You should identify all sources in proper **MLA** format.

7. Your website must include at least one more page. You may create your own page topic or choose from one of the following:

-*Meet an Ancient _____ (Mesopotamian, Egyptian, Indian, Roman, etc.):* Create a page introducing a significant figure from your civilization (i.e. King Tut, Confucius, Julius Caesar, Alexander the Great, etc.) You could present this as a transcript of an “interview” with the individual, as a bibliography, as an autobiography, or in any other format you choose. **Be creative!**

-*Artifacts:* Visit the **British Museum** (or another site) and identify at least 5 artifacts from your selected civilization. Include images of these artifacts on this page (be sure to cite **ALL** images underneath the photographs!) and provide an explanation of how the artifacts were used in the civilization.

-*Geography:* How did the geography of the area in which it is located influence the development of your selected civilization? How did the geography affect how people lived in that society?

-*Other:* _____
